

Bug Ball Recipe Ideas

For your *Bug Ball* your child might enjoy creating a menu of different food to eat. You may want to link this to the theme for example serving beetle punch (blackcurrant cordial) and cutting your sandwiches into mini beast shapes.

Please find below a selection of other minibeast themed ideas you may want to have fun trying at home.

Please note the F2 staff haven't tried these yet so who knows what will happen! 😊

4. Slice each roll into 4 pieces.
5. You could then then attach smaller food items to the cocktail sticks to make the heads and antennae.
