Dear Parents/Carers,

Over the course of the last two years we have had to revise many of our systems and procedures to comply with Covid-19 regulations. A big part of this was getting used to using new online learning platforms which both you and the children engaged with fantastically.

As a result of this we have now moved to an online reading record to record children's home reading. The reason behind this is that it prevents reading records getting lost and it, hopefully, will make things easier for you as parents to keep track of what your children are reading. It also allows the children to see their reading progress towards the 50, 100 and 150 reads rewards that we give out in school.

The app that we will be using is called 'Go Apps'. You can download it on a smartphone, tablet or just be using the web browser. All you need to get set up is an email address and your child's unique number which will be sent home with them during this week. Within the app there is the option to add another child so all your children's reading records will be kept within the same app.

The app is really easy to use and they have a number of video tutorials online. (<https://go-read.co.uk/parents/>) All you will need to do, once you are set up is to add a comment to the record, just as we would have done previously with our paper records.

We hope that you find this way of recording your child's reading easy to use.

Thank you,

Mrs E. Strickland

Longhill Primary School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this

Hull Collaborative Academy Trust is an exempt charity regulated by the Secretary of State for Education. It is a company limited by guarantee registered in England and Wales (Company Number: 08542806), whose registered office is Dorchester Primary School, Dorchester Road, Hull, HU7 6AH
