

General news

Dear parents/carers

We hope you all enjoyed the Easter holidays and welcome back to the new Summer term. This term will be busy as always and much longer due to Easter being early.

We would like to say a huge thank you to all of you who attended parents evening just before the Easter holidays. We had 74% of parents attend which is fantastic and we hope you enjoyed listening to how your children are doing in school.

During parents evening we conducted a parent questionnaire to find out what you think about the school and here are the results from the 71 responses:

- 99% of you said that your children were happy at school.
- 96% of you said you knew how well your children are doing at school.
- 99% said you felt that your children were making good progress at school.
- 82% of you said you knew what your children were learning about at school.
- 98% of you said you would recommend this school to another parent.

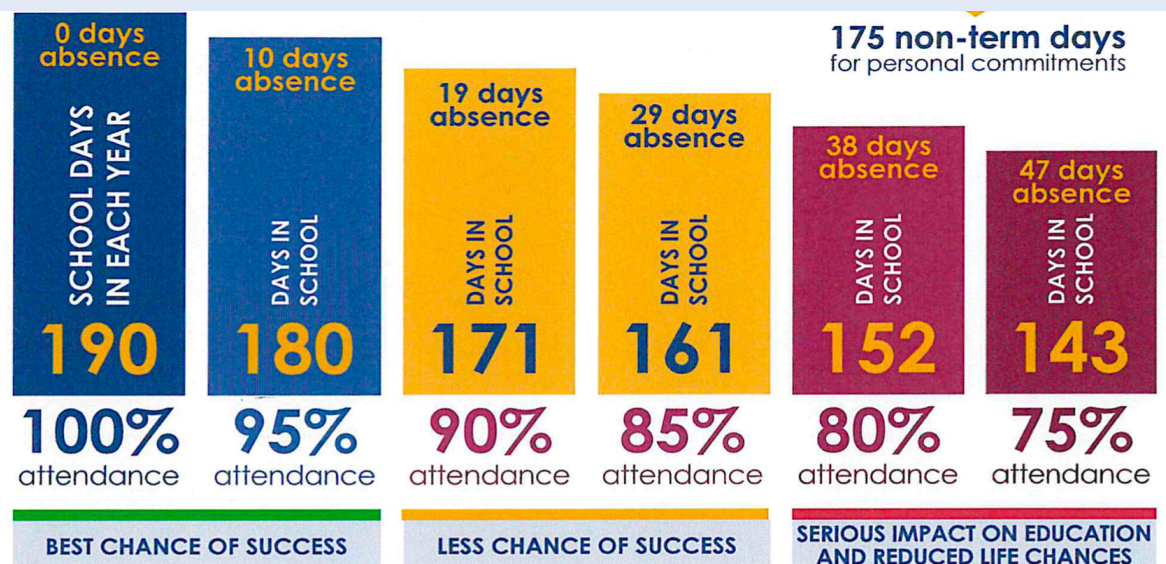

This is really positive and thank you for your feedback.

Just a reminder that you can find out what your children are learning here <https://longhillprimary.org.uk/curriculum/> just follow the link to your child's year group. Information has also been Pinged out this week explaining exactly what the children are doing this term so please have a look.

Thank you for your continued support.
Mr Batty and Mrs Pearce

Attendance figure to date

The attendance figure to date for the whole school is 94.1%

Lunch menu – here is the new menu for the Summer term:

Active learning - See if your children would like to play this game at home.

Train Tough Like Luisa

Hurry! Only the very best can beat Luisa's challenge.

Players: 1 or more
Where to play? Indoors or outdoors

How to play

1. Make a long line on the floor with some string or paper. All along one side, place toys or cushions within grabbing distance from the line.

2. Stand on the line and strike a strong pose. Show off those muscles like Luisa!

3. Next, pick up the toy or cushion in front of you, and move it to the other side of the line – but do not let your feet leave the ground!

4. If you lose your balance, you have to put the cushions back and start again.

5. If you're playing with friends, take turns and see who can complete the challenge the fastest – another player can time you.

6. If you're by yourself, see how many times you can complete the challenge. Keep going for 10 minutes to get extra tough!

Dates for your diary

Monday 6th May – School closed for May Bank holiday

Monday 13th May - Year 6 SATS week

Friday 24th May – Break for half term

Wednesday 5th June – Children return to school
